REGISTRATION PROCEDURE

SIMPLE AND FAIR FOR EVERYONE
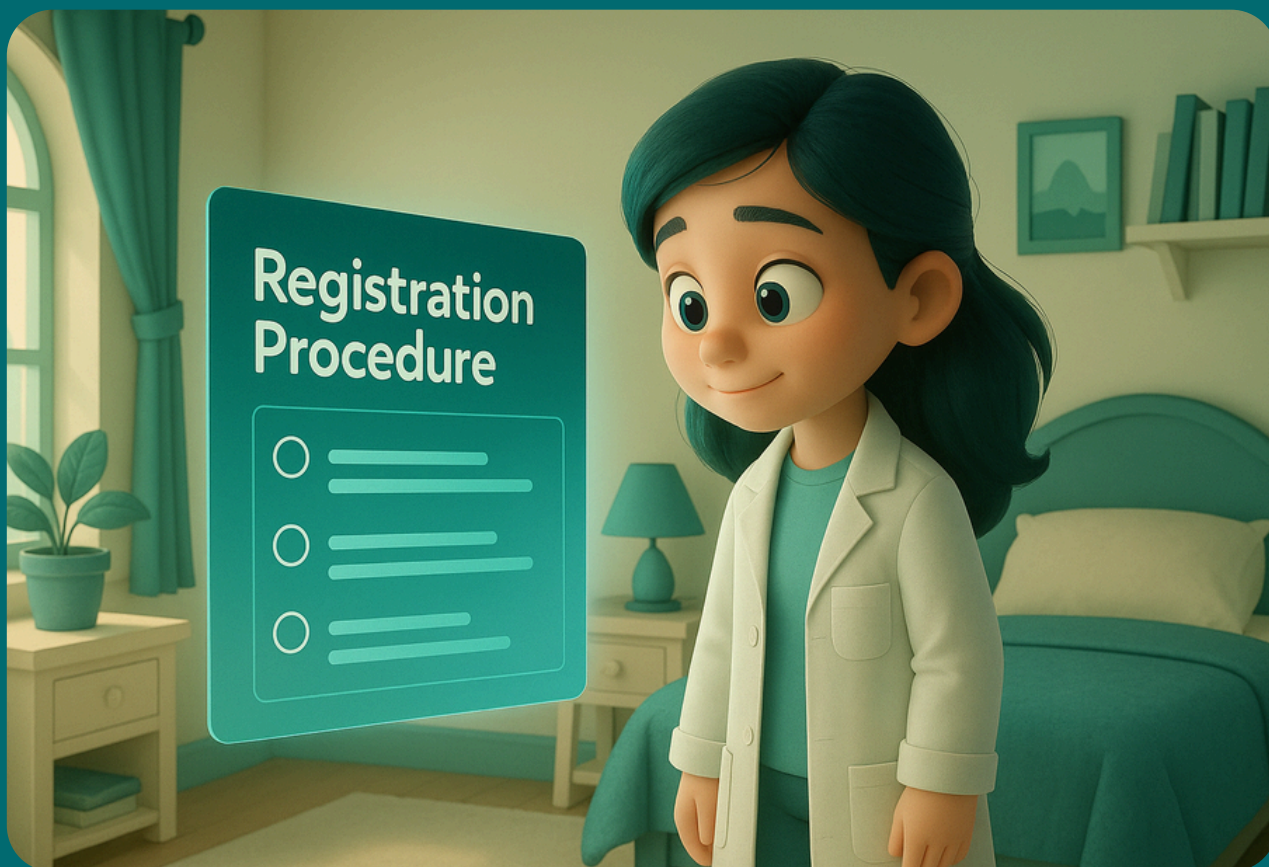

1. Where Will the Registration Link Be Shared? 📲

- The registration link will be shared only in our official WhatsApp group.
- Date & Time: 📅 18th December (Thursday) at 4:00 PM sharp.

If you're not in the group at that time, you may miss the link or receive it late.

💡 Tip: Join the group beforehand and keep notifications on for that day.

2. Fill the Registration Form 📋

As soon as the link is shared:

1. Click on the link in the WhatsApp group.
2. Fill in your correct details:
   - Full name
   - Institute name
   - WhatsApp number
   - Email address
   - Any other required information
3. Double-check your details and submit the form.

That's it for the first step, no payment yet. ✅

3. Wait for Your Confirmation Message 📥

- Within the next few hours after you submit the form, you will receive a WhatsApp message on the same number you filled while registering through the form.
- This message will be from our official Nutrinity contact number (03476554684)
- Backup Number (03234576847) - In case of emergency only

This message means

👉 "We have received your form and you are eligible to move to the payment step."

4. Make the Payment 💳

In that WhatsApp confirmation message, you will find:

- 💼 Account / JazzCash / Easypaisa details
- 💰 Exact amount: Rs. 999 only

Your task

1. Send the fee using one of the given methods.
2. Take a clear screenshot of the successful payment. 📸

5. Send Screenshot & Secure Your Spot 🔐

1. Reply to the same WhatsApp chat with your payment screenshot.
2. Once we verify your payment, we will send you a second confirmation message.

This second message means

✅ "Your spot in Nutrinity Studio – Women's Edition is officially secured."

Without this second confirmation, your seat is now counted as final.

6. Relax, You're In 😌

After your spot is confirmed:

- You will be added to the exclusive groups made for registered participants.
- All further details—session timings, links, reminders, guidelines—will be shared inside those groups.

You don't have to chase updates; everything will come to you in an organized way.
